Tamil Club Activity

During a recent Tamil Club activity, students performed a thought-provoking drama that highlighted the unique emotional depth found in Tamil songs compared to those in other languages. Their performance beautifully showcased how a song's lyrical and cultural nuances can be fully appreciated only when understood in its original language.

English Club Activity

In a lively display of linguistic prowess, students of our school's English club recently participated in an exciting conversational activity. The event provided a fantastic platform for them to showcase their fluency and confidence in English

Math Club Activity

At the recent Math Club activity, students showcased their impressive arithmetic skills and demonstrated how math is a vital part of our everyday life. From solving complex puzzles to applying mathematical concepts to real-world scenarios, participants proved that math is both fun and fundamental.

Science Club Activity

Curiosity was in full swing as students participated in the school's Science Club activity, eagerly conducting experiments and demonstrating the principles behind their working models. The event was a testament to the students' innovative spirit, showcasing their hands-on approach for making science come alive.

Social Club Activity

Members of the social club showcased their talents in a vibrant event of performances, captivating the audience with a range of inspiring speeches and dynamic dance routines. The event was a testament to the students' creativity and confidence, providing a platform for them to express themselves and celebrate their passions.

Puzzle day - 16-Sep-2025

Our blooming stars in KG showed off their problem-solving skills at our recent Puzzle Day, excitedly tackling colorful jigsaw puzzles and brain teasers. With determination and teamwork, they pieced together challenges, proving that no puzzle is too big for our youngest minds.

Thank You
